**Subject:** Re: Requesting for a CT scan

Dear Sir,

Kindly see this mail trail for approval for CT Scan for a Mbah in Logistics as the HMO does not cover the cost for a CT scan.

Warm Regards,

**Moyomade.**

**Subject:** Requesting for a CT scan

You don't often get email from wisdomapostle9@gmail.com. [Learn why this is important](#)

I humbly request for the above test to ascertain what's really is wrong with me.

I have been feeling strong for some times now, last Saturday 14th of Feb, I visited my hospital and was told by the doctor to do a CT abdominal scan and a PSA antigen test to know what's is wrong with me and then commence treatment immediate.

I appeal my request is favourably looked into because my HMO can't fund the bill. Below is the doctors reference form.

Best regards.
